**Subject:** Ethicon Wave 2

All - As indicated in my email regarding the Ethicon Wave 1 cases, Judge Goodwin will continue to enter PTOs designating additional waves. He asked that I contact the parties to begin the process for entering an Ethicon Wave 2 PTO. Would you please jointly identify by **November 9, 2015**, the 200 oldest cases not already in Wave 1 (or properly omitted from Wave 1) where Ethicon is the only defendant named. Please submit via email a joint chart in Excel containing the following information for the 200 cases:

1. Case Style
2. Case Number
3. Date Complaint filed
4. Product(s) for which a claim is alleged (please provide separate columns for each product - it's easier to sort; i.e. separate columns for TVT, TVT-O, etc. instead of one column naming all products)
5. Counsel (firm name with abbreviations is fine)

Let me know if you have questions. Thanks Kate
